# 3M ATG RANGE 'Twice as sticky, half as tricky'

**3M Adhesive Tape Applicator - ATG 700**  
 3M ATG 700 Adhesive Tape Applicator for the ATG Bonding System - Not double sided tape, more like glue on a roll.

Permanent or removable, ATG transfer adhesives are the quick and precise alternatives to usual assembly methods.

Quick - Always ready for use - No protective cap to remove and lose. Clean - No drips, nothing to clean up afterwards. Exact - Applies a uniform adhesive film only where it is required.

Reliable - The range allows for almost any material to be joined with a reliable, durable bond.

Visit our website for up to date prices and full ATG Range, plus you can view our 'how to use guide'
