DIRECTA (UK) LTD

TECHNICAL DATA SHEET:

PRODUCT: Our Reference No. Z1STGLASS

DESCRIPTION: A time and labour saving multi-surface cleaning agent for use in all glazing and many industrial situations as well as in the home.

Glass & Ceramic Tile Cleaner. Supplied in 1 Litre easy spray bottles.

FOR THE GLAZIER: whether you are fitting a single pane or installing complete double-glazed patio units, 1st GLASS is the most up-to-date product to give your installation that perfect finish. Sprayed on and wiped off in a few seconds with no effort at all, 1st GLASS removes all those unwanted mastic, pencil and finger marks to give the customer what he pays for and expects - a clean, expert job. But guard it closely! It will not take long for your wife to discover that 1st GLASS cleans her windows and mirrors in the home like no other product before!

Its other applications are almost countless - car windscreens and windows, ceramic tiling in bathrooms and kitchens, porcelain, plastic laminates, vinyl, stainless steel, chrome etc. in fact almost any surface where a sparkling clean, lustrous finish is required.

1st GLASS has no effect on normal skin, is non-acid, non-toxic & biodegradable.
