

FLUO MARKER

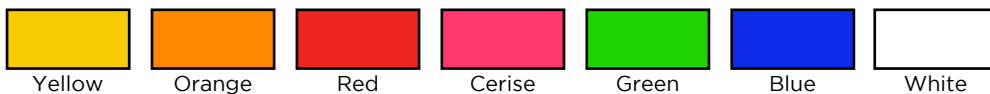

UPRIGHT AEROSOL MARKER

Fluo Marker is an aerosol marker designed for all applications requiring the use of an upright marker and high visibility markings. Typical uses include forestry operations, pack and crate stencilling, security markings to signage and equipment. The specially-designed fine nozzle allows clear writing and markings, where required.

FEATURES AND BENEFITS

- High-visibility fluo colours
- Marking life duration of 9 to 12 months
- Can be used in temperatures of -15°C to 50°C
- Large colour selection
