

- Suitable for use on public roads
- Tear resistant cellular sleeves
- Blow moulded top with easy grip feature
- 100% recyclable base

TRAFFIC-LINE Traffic Cones

The **TRAFFIC-LINE** range of Traffic Cones are manufactured to the highest quality and meet all UK regulations for road cones. The TC 1 and TC 2 models are of two part construction with the bases manufactured in recycled material with anti-slip features. The bodies of the cones are fitted with high performance prismatic sleeves for excellent daytime luminance and night time reflectivity. The TC 3 model is of a one piece ballast filled construction with the same high quality sleeve as TC 1 and TC 2.

Standards:
 Conforms to requirements of
 BS EN 13422
 Chapter 8 – The Traffic Signs Manual
 The Red Book 2013
 Traffic Signs & General Directions
