SNOW TOOLS

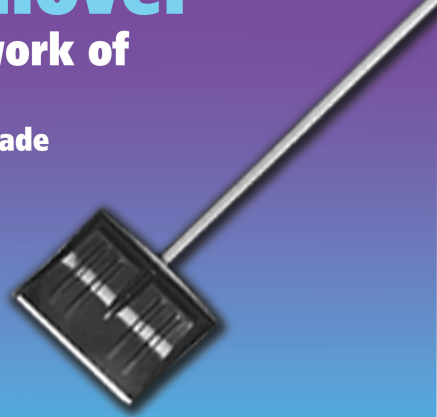

Product Ref:
982SS01

Snow Shovel

Makes light work of heavy snow

Easy to use as its made from plastic which means the snow will slide off quickly and easily. Also ideal for spreading salt and grit.

Shovel head is 12" x 16".

Heavy Duty Shovel

Keep in the car in case you get stuck in the snow!

This wooden handled, square metal shovel has a longer than usual metal socket which gives it extra strength, making it better for heavy use e.g. shoveling snow. Size number 2.

Product Ref:
502SLS

Product Ref:
982SCOOP3T

Hand Scoop

Perfect size for your grit bin

Handy plastic hand held scoop, colour: orange. Size: 75mm x 130mm x 195mm, perfect for spreading salt/grit on paths and drives, or sand or gravel.

WINTER

SAFETY TAPES

Anti Slip Tape

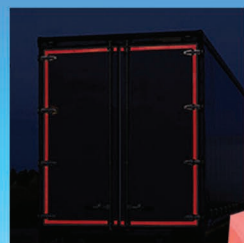

Grip don't slip

Gives sure-footed assurance even when wet or spotted with grease or oil. Our range of Anti Slip Tape is made from a highly effective surfacing material comprising of a tough, waterproof film.

DIRECTA

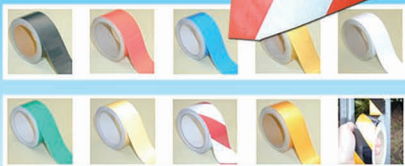

BRANDS

Reflective Tape

Be safe - be seen

High visibility utility grade, Class II retro-reflective marking tape for vehicles, barriers, gates and bollards. Shines brightly in the dark when light is directed at it. Eg from car headlights, torchlight etc.

Foam Tape

Stop those chilly draughts

Designed to meet the increasing demand for energy conservation, this top quality draught exclusion foam also has many alternative uses such as an anti-vibration medium in stereo speakers and equipment, and as a protective packaging for electrical components.
