

First Aid and Safety Posters

Throughout 2016/17, the Health and Safety Executive estimate over 600,00 workers suffered a non-fatal injury as a result of work activity. This accounted for around 5.5 million working days lost.

Our range of safe conditions and first aid signs provide clear guidance to both the injured and those responding when an accident occurs.

In this section you will find permanent, photoluminescent and temporary signs, all available alongside an extensive range of Safety Posters and Pocket Guides, which are excellent training materials and aide memoires for staff and visitors alike.

The First Aid Station display shown on page 72 is the ideal informational display to ensure the company accident book, first aid kit and records documents are all kept in one central location.

To discuss your signage requirements, please call our team on 01621 828882.

Regulations Guidance

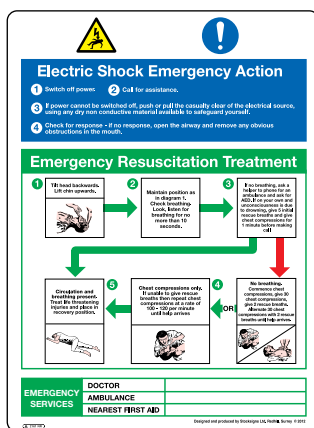

Regulations Posters

Health and Safety Law Poster

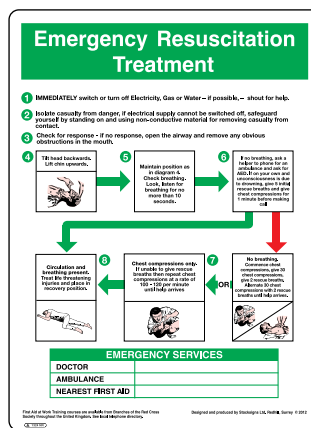

Employers have a legal duty to display this poster in a prominent position in each workplace.

Posters are available in both A3 and A2 sizes and are supplied in a laminated finish.

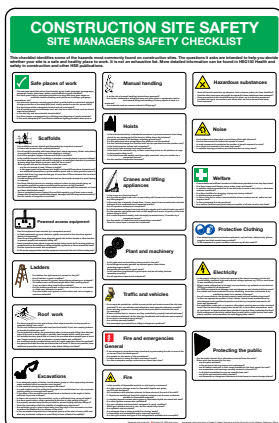

Although in some cases it is a legal requirement to display Regulations Guidance posters, the main benefit remains as an invaluable staff training aid. These signs help raise staff awareness and act as constant reminders. Some of these posters are also available in our pocket guide format. Current legislation updates will be reflected in these products and, as such, they are subject to change.

Floor Graphics

Floor Graphics

These signs will adhere to most clean, smooth and sealed floor surfaces and will be ideal for reinforcing your safety policy. In some situations these floor signs can be more conspicuous than wall fixed signs. Not for external use. We can manufacture floor graphics to your own specifications. Call our Sales Team for details on 01621 828882.

Valves and Tags

Brass Tags Specification

Indoor life	15 years
Outdoor life	5-7 years
Upper temp	600C Natural
Lower temp	-40C
High/Low PH	Poor
Alcohols	Natural=Good

Valve Tags

High quality, long lasting engraved valve tags can be used in conjunction with pipe marking identification to help you comply with legislation.

Round tags come in 1.6mm Brass or 1.6mm Traffolyte engraved with sequence numbering and/or 5 characters. Brass tags are engraved and can be ink filled. Traffolyte tags come in a range of nine different colours, in packs of 25 from 1-25 onwards. (See table below)

How to order your Tags

Using our extensive table at the bottom of the page:

1. Choose tag size dia: 27, 33 or 38mm.
2. Choose material.
3. Decide pack numbering.
4. Locate code number.

Tag Prices		27mm	33mm	38mm
Brass	Natural	£155.07	£155.07	£162.33
	Filled	£165.42	£165.42	£173.64
1.6mm Traffolyte		£124.08	£123.93	£123.93

Example: Quote ref: 6 00041/R when ordering a pack of 25 tags, sequence numbers 201 to 225, Traffolyte material, Red.

Traffolyte Tags

Custom Tags can be made in different shapes and thicknesses such as triangular, square, hexagonal or octagonal with engraved text and numbers.

Specification

Indoor life	4-5 years
Outdoor life	1-3 years
