

## 075RPBSBU Parseal Paper Tape

Size: 48mm x 50M  
Rolls per box: 36  
Cartons per pallet: 65

### Product Description

Parseal Paper Tape is a general-purpose packaging tape characterised by a consistent crepe paper backing and a solvent borne rubber resin adhesive. Easy to unwind and hand tearable, it is suitable for sealing cartons and light weight boxes and non critical bundling, holding, splicing and labeling.

Thanks to its special adhesive formulation, it provides a good holding and adhesion on all papers and cartons, even in warm environments.

Parseal Paper Tape can be disposed together with the packaging on which it is applied without affecting the paper and cardboard recycling process, in accordance with INGEDE certification.

### Features

- Medium adhesion
- Excellent holding power
- Hand tearable
- Good contact on cardboard
- INGEDE certification (Re-cycling-friendly tape according to INGEDE Method 12)

### Main Applications

- Light duty carton sealing
- Manual packaging
- Non - critical bundling, splicing and holding

#### Backing material

Saturated crepe paper

#### Type of adhesive

Natural rubber - resin

#### Available colour

Brown
